A Perry woman, charged in December with stealing a \$500 computer from Geneseo's Walmart, was arrested at the superstore again last week, this time for allegedly stealing Bluetooth speakers valued at more than \$434.

Chelsea Dumbleton, 24, was charged with third-degree burglary and petit larceny Feb. 16, even though she had been banned from the store after her alleged computer theft last year.

Dumbleton was arraigned in Geneseo Village Court before Justice Kathleen Houston, who remanded her to the Livingston County Jail on \$15,000 cash or \$30,000 bond.
