

Eddie Blacken, John T. McIntee, owner, and Bill Henner of Lake Country Industries

Lake Country Industries was just started in 1947 in Honeoye, N. Y. by John T. McIntee. Lake Country Industries came to Geneseo in 1956 when Mr. McIntee purchased the Neff & Neff Coal & Lumber business. A new building and yard was built here and in operation by Sept. of 1956.

Mr. and Mrs. McIntee live in Canadice where they have a beautiful view of the surrounding area and can see Rochester on a clear day.

The Lake Country Industries yard here in Geneseo is under the able hands of Bill Henner and Eddie Blacken who have been with Mr. McIntee in the lumber business since 1956 and 1953 and are able to answer almost any question you may have in mind when it comes to building or remodeling.

Lake Country Industries carries a very complete line of building materials, Dupont paint and builders hardware. Deliveries are made and if something should be out of stock it is replaced within a few days time and this is the service that customers like and expect.

Bill Henner lives in Honeoye, N. Y. and Eddie Blacken lives in Centerville, N. Y. on Rt. 20 approximately 4 miles west of Canandaigua.
